1. Safety

1.1 Intended use

The digital photo album displays photos. The clock function includes an alarm and calendar function. Read the manual carefully before the first use.

1.2 Labels in this manual

⚠️ **WARNING**
A warning means that injury or death is possible if the instructions are not obeyed.

⚠️ **CAUTION**
A caution means that damage to the equipment is possible.

ℹ️ A note gives additional information, e.g. for a procedure.

1.3 General safety instructions

⚠️ **WARNING**
Do not put force on the appliance. It will damage the appliance.

⚠️ **CAUTION**
Do not spill any liquid on the appliance.

2.   Preparations for use

2.1   Unpacking

- Unpack the appliance carefully.
- Check the contents as described below. If any item is missing, please contact your reseller.
- Remove the labels from the front panel carefully if present.

i   We recommend that you retain the original carton and packing materials in case it ever becomes necessary to return your product for service. This is the only way to safely protect the product against damage in transit. If you do dispose of the carton and the packing materials, please remember to recycle with due care to the environment.

2.2   Package contents

The following items are included in the received package:
1   Digital photo album
1   USB cable
1   Operator manual
- If any item is missing, please contact your reseller.

⚠   **CAUTION**
Do not put the appliance near a heat source. This can cause damage to the equipment.
⚠   **CAUTION**
Do not expose the appliance to direct sunlight. This can cause damage to the equipment.
