## Traction Strap Collection

Apple Watch Strap - 4 Colors - 44mm & 40mm

The **new\*** Traction Strap is made with premium full grain leather in four timeless colors. The brushed metal hardware is finished in beautiful ton sur ton colorway providing an elegant yet unique finish. The Traction strap utilises a new seamless magnet system which allows the Traction strap to fit on ny size wrist with ease and comfort. The Traction strap is the light-weight, ultra thin, yet durable enough to become your daily driver. A sweet combination of contemporary design and engineering.
