De Galluchat | Made in Paris

De Galluchat name pays tribute to Jean-Claude Galluchat, who made bespoke pieces for the king Louis XV in France. De Galluchat is the only *Maison* in the world, that offers fine accessories and jewellery with a focus on shagreen. From handcrafted jewellery, evening bags and fashion accessories to veneered home decor De Galluchat brings together contemporary design with traditional craftsmanship. De Galluchat desires for timeless and natural preciousness which epitomize all De Galluchat pieces.

When two like-minded brands combine their continual quests for timeless and elegant design, something truly unique is born. The 'De Galluchat Fast Pad' is a wireless charger handcrafted by master shagreen designers at De Galluchat atelier in Paris. The unique finish is hand polished and provides an opulent shine. The lustrous black Shagreen is harnessed in a brushed gold or black metal body, providing that distinctive 'De Galluchat' look. Available with and without a shagreen 'pearl'. The 'De Galluchat Fast Pad' has a matching black and gold USB-C charging cable. A limited edition series of 100 pieces.
