sonic rider™

The Road Is Calling

Exceptional echo and noise reduction helps block road sounds while a powerful 2-watt speaker allows you to hear everything loud and clear.

A road-trip worthy battery gives you up to 45 hours of talk time and 5 months on standby.

Manage your calls hands-free by using your voice to “answer” or “ignore” calls.

Friendly audio prompts notify you about battery levels, announce callers by name, and much more.

Easily switch between two devices with integrated multipoint technology.

Range	33 ft with 2 active phone multipoint, stores up to 6 phones
Audio	Single mic with NREC, 2W speaker
Battery Life	45 hours talk time, 5 months standby
Controls	Volume +/-, Call answer, Call end, Mute
Charging	mUSB charging

moto coin

Unleash a New World of Possibilities

Bluetooth Low Energy,
BTLE 4.0 Compliant

Replaceable battery (CR2032)
with one year battery life

-  **Key & Phone Finder**
It's easy to attach the Moto Coin to your keyring and pair it with our smartphone app. Never lose your keys again! What's more? Can't find your phone? Just press the button or shake the Moto Coin to locate it.
-  **Safe Zone**
Sometimes when you're at home or the office, alerts are annoying and unnecessary. Just turn on Safe Zone. It is only enabled when you're in Wi-Fi. Once you exit the network, you'll receive an alert that you left your keys behind.
-  **Locate Your Car**
Forget where you parked? Leave the Moto Coin in your car, and the app will remember its location and help you find it with Google Maps.
-  **Smartphone Camera Remote**
Selfies made easy. Select the camera trigger function on your Moto Coin to take a picture from your smartphone. It's simple for just you, and perfect for the next group shot.
-  **Smartphone Music Remote**
Control your music from across the room. Activate the music remote on your Moto Coin and control your phone when it's connected to a music docking station. Configure button clicks to change or skip tracks.
-  **SOS Alerts**
In the case of danger, Moto Coin makes it easy to send an SOS Alert. Just press the button and quickly notify others of your location.
