1 Check the contents and main parts

Controleer de inhoud en belangrijkste onderdelen
Kontrollieren Sie den Inhalt und hauptkomponenten
Vérifiez le contenu et pièces principales
Revise el contenido y partes principales
Controllare il contenuto e le parti principali

1	Gimbal stabilizer
2	Tripod
3	Charging cable
4	Keycord
5	Smartphone clamp
6	Roll motor
7	Tilt motor
8	Pan motor
9	Handle

2 Buttons, functions and charging

Knoppen, functies en laden
Tasten, Funktionen und laden
Boutons, fonctions et charger
Botones, funciones y cargar
Pulsanti, funzioni e carico

1	Battery level indicator
2	Status level indicator
3	Joystick
4	Photo button
5	Zoom switch
6	Mode button
7	On/off button
8	USB port for charging phone
9	Micro USB port for charging gimbal

3 Mounting the phone

Monteer de telefoon
Das Telefon montieren

Monter le téléphone
Montando el telefono
Montando il telefono

4 Checking balance

Balans controleren
Balance prüfen

Solde de vérification
Balance de cheques
Controllo del saldo

5 Turn on the device

Schakel het apparaat in
Schalten Sie das Gerät ein
Allumer l'appareil
Enciende el dispositivo
Accendi il dispositivo

Let go when flashing green

Status indicator light	Meaning
	Processing instructions
	Switching on
	Charge gimbal
	Overload shutdown

6 Changing mounting position

Veranderen van de montagepositie
Montageposition ändern
Changer de position de montage

Cambio de posición de montaje
Cambiando la posizione di montaggio

7

Installing and connecting with the app

Installeren en verbinding maken met de app
 Installieren und Verbinden mit der App
 Installer et connecter avec l'application
 Instalación y conexión con la aplicación
 Installazione e connessione con l'app

Download: Gimbal Pro
