Action Cam

EXTREME
VIZU 

DESIGNED TO *CAPTURE*

Action Cams X4S | X6S | X8S

From now it is possible capture every moment without limits, especially when you are on the move. Make cinematic footage. Developed for hikers to the everyday surfer, it is often referred as the allround action camera for the outdoor fanatic. With the collection of Action cams, you have a wide choice of whether to film your awesome stunts in slow motion or to take clear and detailed photos. Do you want to check your videos or show your adventures to your friends? Go big and connect it directly to your television via the HDMI connection.

Snorkeling Mask

DESIGNED TO *CAPTURE*

EXTREME X
VIZU

Snorkeling Mask

Are you planning to go snorkeling this summer? Experience your underwater adventure optimally and capture everything by mounting the action camera to the mask. The snorkeling mask is a must have for your adventure. The mask has an anti-leak system, made for the ultimate air supply and ensures comfortable breathing.

Drone

EXTREME
VIZU

DESIGNED TO *CAPTURE*

Drone X22

Capture outdoor moments while hiking or traveling with the DRONEX22. Whether you are on a holiday, making moves on a festival or want to record your football match from a new perspective, it is all possible with the DRONEX22. The drone is foldable which makes it compact without compromising on the endless functions.

The DRONEX22 has a HD camera built in stabilization and can fly for about 12 minutes with a full battery. The drone can be controlled with the included controller and the mobile application: HFUN. The WiFi connection ensures that the images are streamed from the DRONEX22 to your smartphone.

DESIGNED TO *PROTECT*

Dry bag

EXTREME
VIZU

Dry bags

Protect your essentials during every adventure. The VIZU waterproof bag lets you push the boundaries, without any compromise. From now on you will be able to experience total freedom and complete adventures without limits. The ExtremeX waterproof bag is made entirely of durable PVC from the outside. This makes it possible to take the bag on the boat or during a weekend of survival, without risk. The bag protects your valuables from dirt and water.

Gimbal

DISCOVER THIS SUMMER'S
NEW ACTION CAMS

The advertisement features two GoPro cameras. On the left is a GoPro with a small LCD screen showing a surfer. On the right is a GoPro without a screen. Both are mounted on their respective mounts. The background of this section is a white panel with a blue wave graphic at the bottom.

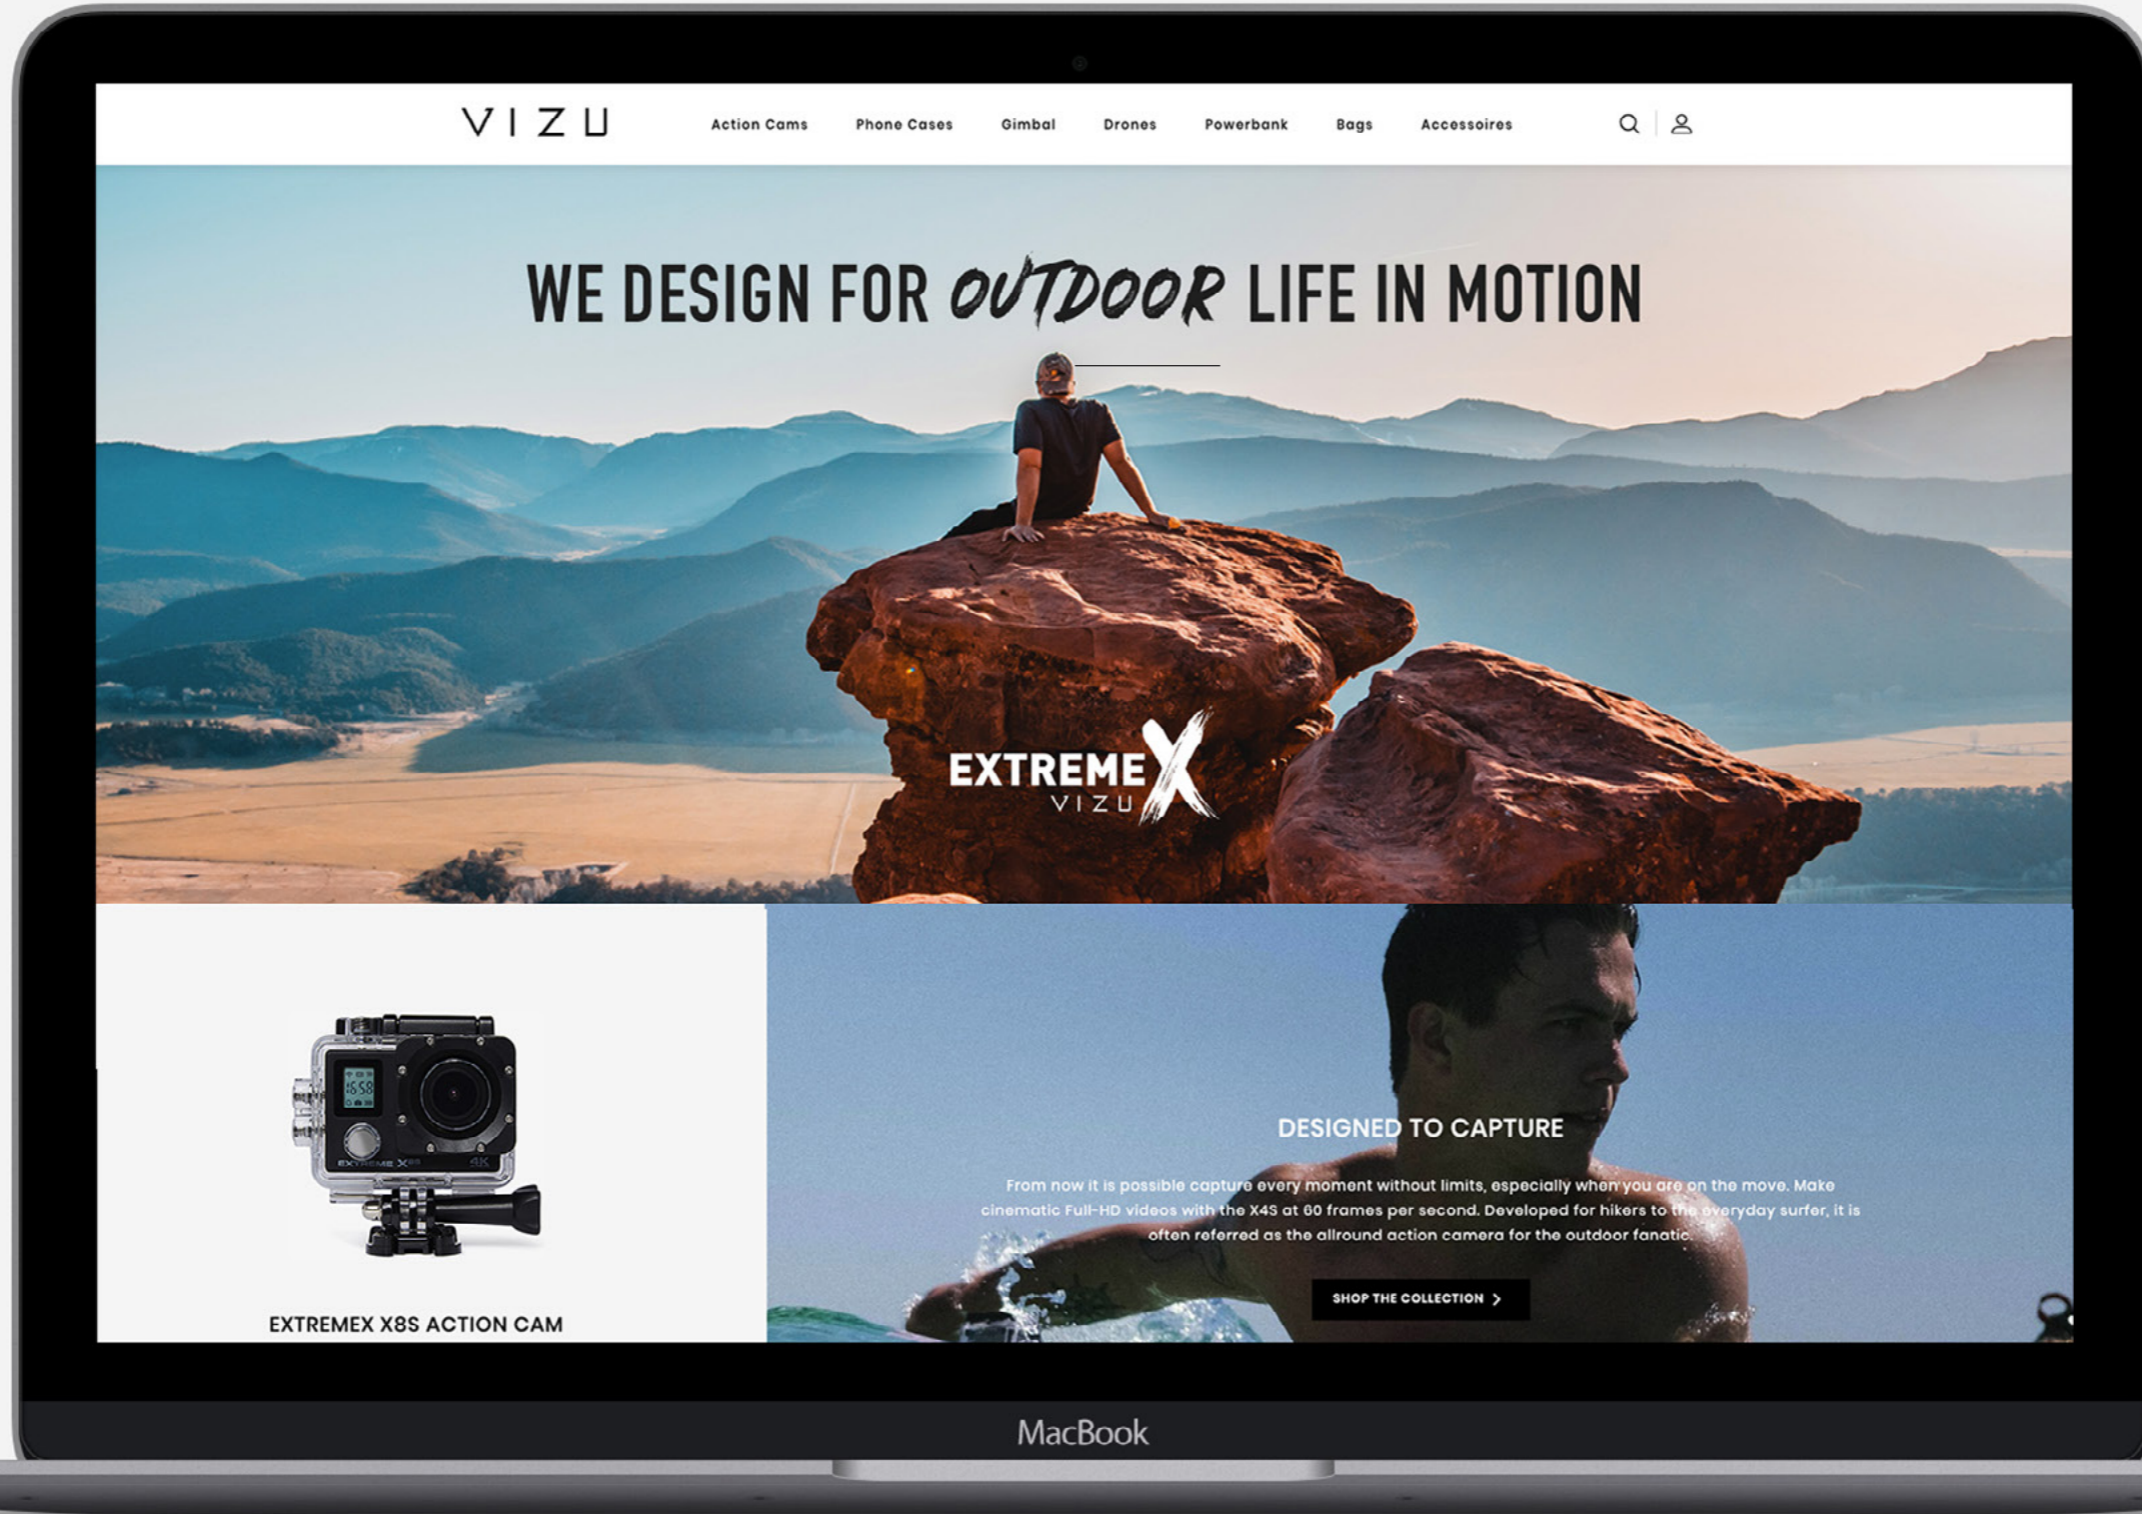

EXTREME X
VIZU

A smaller version of the Extreme X Vizu advertisement, featuring the same text and camera images as the larger window display.

Passport p
Make your passport p

An advertisement for passport photos. It features four small portraits of a young man in a blue shirt. The text is partially obscured but includes 'Passport p' and 'Make your passport p'. At the bottom, it says 'THE TRAVELLERS ELECTRONIC COMPANY'.
